Tis the season to be Bashing...

Glow in the dark balls?!? (admit it, you checked!)

Have you ever been accused of being "blind drunk"? Do you fancy yourself a golfer? Are you a night owl? Well why not kill three birds with one stone by participating in our Second Annual Midnight Golf Tournament. Last year's groundbreaking journey into the dark depths of River Lodge's nine hole course at midnight proved to be challenging to both the expert golfer and the expert drinker's liver! Jell-O shots ran rampant, glow-in-the-dark balls flew wildly while a

small family of burros stood idly by wondering what the F* were a bunch of drunks doing out on their course at that time of night! Yes, that's right, golfers and non-golfers alike, for the SECOND time in Wailer Bash history, we are going to have the very first (second) Mini-Midnight Golf Tournament. StrokeMaster Steve Collins will once again lead a group of brave souls out onto River Lodge's private course at 11 pm Friday night to see who really has some (*glow in the dark*) balls!

Bash Registration: Just Do It!

OK, so right now you are probably wondering: "What can I do to help out with the Bash that won't require me to remain sober?" Well the answer is easy: REGISTER! Download the registration form from the website, fill it out, send it in and if you are really feeling adventurous, RSVP on the Bash E-vite. It's that simple! Not sure if you are aware or not, but The Bash is (supposed to be) a major fundraiser for the club. By knowing in advance how many people are coming, we are able to better judge how much food for the BBQ and booze for the martini party to order, plan boat staffing, etc. If we can keep our expenses close to what we actually need, we can continue to offer this great party at reasonable prices and still have some left over to fund other club activities. (Lets face it; \$99 bucks for a weekend party like this is a steal!!) And just to up the ante a bit and get some fresh faces to experience The Bash, I have a challenge to all Wailer members: refer **5 Bash virgins** and your Bash is on The Wailers (all must be registered by May 30th). See Pete or Brandy for more details!!

So ya wanna Park Model?

Once again, we have reserved the Park Models at River Lodge, but obviously there are just not enough to go around. This year we are going to try and be a little fairer in how they are assigned. The Park Models will be assigned on a **first paid, first served** basis to groups of **three or more** only. That means you will not be on the Park Model list until at least three people in your group are paid in full. So if you want first dibs, get your friends together and get **ALL** your checks to our Money Boss Brandy Little (moneyboss@wailersskiclub.org) by **April 15th**. **DO NOT CALL RIVER LODGE** and try to book. The River Lodge will only take reservations after we give them the names of **paid** participants.
